

ABOUT MSBTE

The Maharashtra State Board of Technical Education was established to ensure quality technical education at diploma level to match the latest trends in the industry. This led to all round personal development of a student socially and globally. Many activities such as online academic monitoring of affiliated institutions, online examinations, career fairs, training to faculty, revision of curriculum, scholarships to students etc are conducted by MSBTE, Mumbai for the benefits of its stakeholders.

ABOUT INSTITUTE

R. C. Patel Institute of Pharmacy was established in June 2003 with primary objective of providing value based health and technical education to aspiring candidates. The institute also aims for all round development of the students to help them realize their full potential and career goals. Every year institute organizes campus interviews in various in multinational and national organizations. The Institute is spread over 7 acres land. The conducive ambience for learning. The Institute with modern infrastructure comprises of several class rooms, conference rooms, administration hall, well equipped laboratories, digital library, all of which are built in accordance to the norms of AICTE, under the principle 'Quality: No Compromise'. At present institute has great pleasure to teach students from all corners of India.
