To,
Mr. Vinod Mohitkar,  
Director,  
Maharashtra State Board of Technical Education,  
Mumbai.

Subject: Seminar on Skill Development.

Dear Sir,

We take immense pleasure informing you that on completion of 150 years of Boiler Inspections in India, The Directorate of Steam Boilers (M.S.) is organizing Seminars cum Conferences in the programme "BOILER INDIA 2020" which will be held from 21st to 23rd February, 2020 at CIDCO Exhibition and Convention Center, Vashi, Navi-Mumbai.

The event is being organized to provide a common platform for boiler users, manufacturers and intellects. Technocrats in the field of boilers will be providing solutions and suggesting the latest trends and technology available to the industries in this rapid changing technological time.

There will be seminar on Skill Development and Employment Opportunities in the field of Boilers for Diploma in Mechanical/ Electrical Engineering Students. Main purpose of this seminar is to highlight the employment opportunities in the field of boilers. This seminar will also be helpful for engineering diploma students to enhance their knowledge in various fields like, Non Destructive Testing, Welding Technology, Boiler Operation and Maintenance.

In Boiler India 2020 exhibition from across India will display their products ranging from Pipes, Tubes, Fans, Pumps, Automatic System and complete Boiler. Students will be able to get first hand information of all types of latest technology in boiler.

We hereby, request your kind self to convey to the Polytechnic Colleges about the programme so that students from these colleges can be benefitted by attending the session on Skill Development and Employment opportunities in the field of Boiler on 21st to 23rd, February 2020.

Looking forward to your support and appreciation.

Thanking you and oblige.

Yours faithfully

(D.P. Antapurkar)  
Director of Steam Boilers,  
Maharashtra State, Mumbai.
