

### About Mumbai Educational Trust (MET) :

Mumbai Educational Trust (MET) is an Educational Trust which has been established and registered in 1989. It has developed a multi-disciplinary educational complex at Bandra Reclamation, Mumbai, which offers AICTE approved educational programs in areas of Pharmacy, Information Technology and Management. Over the years it has developed rich intellectual capital, reaching out to thousands of students and professionals engaged in the service of industry, research and academics both in India and also beyond its borders. Driven by the social commitment of the promoters, reaching out to the rural areas of the state of Maharashtra, MET has started up its agro-industrial educational complex at Nashik in June 2006. It offers various programs in the areas of Management, Pharmacy, and Degree and Diploma in Engineering & Technology. In order to meet growing demand of Technical Man Power, MET's Institute of Technology Nashik has already started Second Shift of Polytechnic with Mechanical, Civil and Electrical Engineering branches.

### Vision :

To shape professionals, to conquer the present and future challenges to the socio-economic fabric of our society, by institutionalising search, development, research and dissemination of relevant knowledge through structured learning systems.

### Mission :

To evolve, develop and deliver dynamic learning systems to equip professionals with conscience and commitment to excellence and courage to face business challenges.
