ABOUT V.E.S

Vivekanand Education Society was established in 1962, with a vision to increase the intellectual wealth of the country by providing quality education and building excellent technical skills. V.E.S strongly draws inspiration from the ideas and philosophy of Swami Vivekanand. V.E.S has been continuously setting milestone in terms of excellence in education for last five decades incorporating 27 institutes imparting education from Kinder garden to Post graduation courses in Technology and Management.

ABOUT THE INSTITUTE

V.E.S. Polytechnic was established in the year 1983 by V.E.S with an aim to impart technical education and developing technical skills to 10+ students.

V.E.S. Polytechnic is approved by All India Council for Technical Education (AICTE) and Directorate of Technical Education (DTE) and affiliated to MSBTE.

V.E.S. Polytechnic completes 31 successful and preserving years of academic excellence and every moment we are striving hard to impart value based education and to develop sense of responsibility.

Objective of Paper Presentation

Paper presentations provide a common platform for the students to share and present their innovative ideas. In addition to technical skills, paper presentation also improves the communication skills of the students, making them more confident to speak in front of a group.

Theme of Paper Presentation:

“Emerging Trends in Electronics & Instrumentation”

Paper Related to on following topics,

1. Recent trends in wired and wireless communication
2. Embedded system and VLSI
