“Tools for Online Teaching Learning Process”
April 20 - May 16, 2020
Approved on “Non-Financial Basis” by
MSBTE, Mumbai

Organized by
Department of Pharmacy,
Government Polytechnic, Jalgaon
About Institute

Government Polytechnic, Jalgaon is a premier institute of Government of Maharashtra; was established in the year 1960 with basic branches of Engineering and Technology.

Vision

To be a premier institute for transforming learners into competent technicians and pharmacists.

About Pharmacy Department

Department of Pharmacy was established in the year 1964 & approved by Pharmacy Council of India, New Delhi and AICTE. Department has highly qualified, committed and motivated faculty, well equipped laboratories with spacious infrastructure.

Vision

“Nurture Pharmacists, Serve Community”

Mission

- Imparting quality education to meet the needs of industry & community.
- Bringing academic excellence through innovative teaching & learning practices.
- Making students self reliant by nurturing entrepreneurial & employment skills.
- Providing platform for all round development of students & inculcating ethics, values & attitude.
- Providing pharmaceutical care to community & serve them for betterment of their health.

About the Programme

Objectives:

- Transforming teacher centered passive teaching learning (TL) process to student centered active TL process.
- Equipping teachers to utilize effective teaching practices in the classrooms.
- Empowering teachers with modern and innovative pedagogical tools.
- Enhancing student engagement through interactive and collaborative learning.
- Improving learning outcomes through use of learning management systems, blended teaching and digital pedagogy.

Expected outcomes:

After successful completion of FDP participants will be able to:

- Use effective teaching practices in their teaching learning process for achieving maximal learning outcomes by students.
- Use effectively modern pedagogy tools like creating & uploading videos, quizzes etc.
- Use effectively Learning Management Systems like Website, MOODLE, etc.
- Apply problem based learning & collaborative learning approaches.
- Use blended teaching learning process and digital pedagogy effectively.
