ABOUT VENTURA

The idea of VENTURA, a project exhibition and paper presentation, was conceived and initiated by us in year 1999 with an objective to provide a common platform for diploma student of various disciplines from different colleges in and around Mumbai to exhibit their technical skills.

About The Institute

Bharati Vidyapeeth Institute of Technology is run by the parent body of "Bharati Vidyapeeth".

It was established in Pune in 1964 by Dr. Patangraoji Kadam (Minister - Forest, Rehabilitation and Relief Work, Earthquake Rehabilitation). He is also the Chancellor, Bharati Vidyapeeth Deemed University.

This year Bharati Vidyapeeth is celebrating GOLDEN JUBILEE.

The Institute offers 3 years diploma in Chemical Engineering, Computer Engineering, Electronics & Telecommunication Engineering, Industrial Electronics, Information Technology, Instrumentation and Mechanical Engineering in two shifts. **All courses of this Institute have been accredited by National Board of Accreditation, (NBA).**

The Institute has nurtured an excellent Institute - Industry collaboration programme. It has entered into a collaboration with the world renowned Reliance Industries. In this collaborative arrangement, it has conducted a 3 years autonomous Diploma courses in Mechanical, Chemical, instrumentation and Electrical Engineering for the employees of this mega corporation. The faculty members of this Institute were also entrusted with responsibility of preparing course material for the training modules for the employees of Reliance Info Com. Limited of Dhirubhai Ambani Knowledge City.

Every year BVIT organizes project exhibition sponsored by MSBTE (Mumbai region) in the month of February and ISTE chapter Paper Presentation for faculty, sponsored by MSBTE.

The Institute is presently running in two shift and has the following courses

- Chemical Engineering
- Computer Technology
- Electronics & Telecommunication Engineering
- Industrial Electronics
- Information Technology
- Instrumentation
- Mechanical Engineering

Our Vision
Social Transformation Through
Dynamic Education
