As per the procedure, the Principal of each institute conducting final year engineering diploma curriculum shall scrutinize & identify the best innovative project depicting creativity in their institute and recommend the same for the project competition to be held by their region. Projects listed in attachment as per Web Circular under reference shall not be recommended for the competitions by the Head of Institute. There is no Registration fee & participants shall be provided free lunch & accommodation at the project competition. The projects that are innovative and worth patenting shall be considered further for filing patents by MSBTE.

**The application has to be sent by institutes online only.** The link for the purpose is available on the MSBTE website under Academic Monitoring. A jpeg image of the project alongwith necessary details have to be uploaded and entry saved by the concerned project guide for further necessary line of action.

Projects selected shall have to be displayed and demonstrated for working and evaluation at the venue of the project Competition.

It's expected that all institutes shall send their entries for the competition so as to appreciate and motivate the creativity, innovativeness and talent in the students.

(Dr. Vinod M. Mohitkar)

Secretary

M.S. Board of Technical Education,  
Mumbai- 400 051.
