

YASHWANTRAO BHONSALE
POLYTECHNIC

ABOUT

Best Emerging Institute
award 2019 by ISTE

Yashwantrao Bhonsale Polytechnic, Sawantwadi, established in 2014, is a comprehensive Technical Institute located at Charathe (Vazarwadi), Sawantwadi, enjoying a picturesque setting that is unique among the educational set-up of this region of Maharashtra. Having a distance of about 2.5 km. from city of Sawantwadi, it is a quiet and peaceful place maintaining an atmosphere where faculty and students would take the process of teaching and learning seriously.

The Diploma Engineering courses in this institute prepare students for courses in technical education and professional programme in Civil, Mechanical and Electrical engineering through teaching of theory, training in drawing and required practical skills for three years.

A student after successfully completing Diploma in engineering is eligible to enter and get employed in any Government Department, Private and Public Sector establishment and in any small or big industrial unit. The more enterprising individuals may think of having their own Industrial or Business organization. All the efforts of this institute are in this direction only.

Vision Mission

Our Vision

To Nurture rural young talents through technical Education with emphasis on holistic development

Our Mission

Mission 01 :

To Impart Technical Education and skills through modern technical learning techniques.

Mission 02 :

To facilitate quality education by transmitting best engineering practices and entrepreneurial skills through Industry-Institute interaction.

Mission 03 :

To inculcate life-long learning skills and ethical values among students to make them socially and environmentally responsible.
