

About the Institute

Nagrik Shikshan Sanstha was established in the year 1963 and is located in Tardeo, Mumbai.

Our Institute, Nagrik Shikshan Sanstha's college of Pharmacy offers Diploma in Pharmacy and provides a platform for overall development of the student fraternity.

The institute has been functioning in line with its vision and mission and has been developing efficient and committed pharmacists, competitive with others in knowledge, expertise, in the ability to address complex problems and to adopt to difficult environments.

About the Program

The main objective of the program is to improve the technical knowledge and the skills of the participating faculty.

We aim to provide compacted, out of the class and classroom based staff development training to the teachers and help them learn to teach better.

As entitled, the program will cover many current trends and recent advances in pharmacy education.
